Central Florida Section Upcoming Events Cont.

National Committees

SWE has recently announced the call for FY14 committee members. The power of our committees and volunteers is what moves SWE forward. This is a great way to get involved in the national society. The deadline for submitting an interest form is May 30. Visit [here](#) for the interest form and [here](#) for a list of the committees.

For Sale!

CFL SWE has teddy bears for \$10, and cosmetics bags for \$3.50. These are perfect for any engineer, or budding engineer! All proceeds for the bears go to the SWE/FEF scholarship fund. Visit www.swe.org/centralflorida.sale.html or contact central.florida@swe.org for more information.

Judges Needed

Judges are needed for the Outstanding Collegiate Section and Outstanding New Collegiate Section awards. The judges should be professional members, and be able to score 10 electronic entries (2 hours max per entry). Entries will be judged in Mid-June. This is another great way to get involved. Email the team at ocs-oncs@swe.org for more information.

CFL SWE Chair Opportunities

Are you interested in becoming more involved in the Central Florida Section of the Society of Women Engineers? We are looking for a Fund Development Chairperson. For further information, including details on these positions, please contact Cheri at cflswepresident@swe.org.
